"At Tapori"

1

At Tapori
 There is sun in the laughter of a friend
 And our homes are near, so come along,
 While the wind brings echos of a song.

At Tapori
 It's not hard to understand
 Someone smiles or waves a hand
 And the friend who's in despair
 Finds some sunshine here to share.

(Refrain)

**Oh friendship
 is a diamond in the sand
 Oh friendship
 when you find it, take its hand
 Oh friendship
 is a star deep in our hearts
 When friends are here, we have no fear.**

2

At Tapori
 Every day they're creating new ideas
 Looking upwards, reaching for the sky,
 While the children dance and play nearby.

At Tapori
 We write messages of light
 That escape and then take flight
 And so all our dreams unfurl
 Soaring all around the world.

(Refrain)

REFRAIN

**Oh friendship
 takes no notice of frontiers
 Oh friendship
 makes all barriers disappear
 Oh friendship
 is a star deep in our hearts
 When friends are here , we have no fear.**
