

CAMEROON

In May, the children from the school of Petite Dan and Sarah Foundation read the Tabori newsletter together. They were happy to see pictures and messages from their group.

During this day they also played games.

Welcome to these two new Tapori groups

MAYOTTE

They end each meeting with music.

The children answered the question:
“What do you need to be happy in your family?”

They wrote down answers and hung them on a tree in the garden
Here are some of them:

- walk together
- helping each other
- you have to love each other
- being there for each other when things are hard
- always have faith in your family
- respect yourself
- have fun
- we can help our mother do cooking and cleaning

They made a mobile.

MAURITIUS

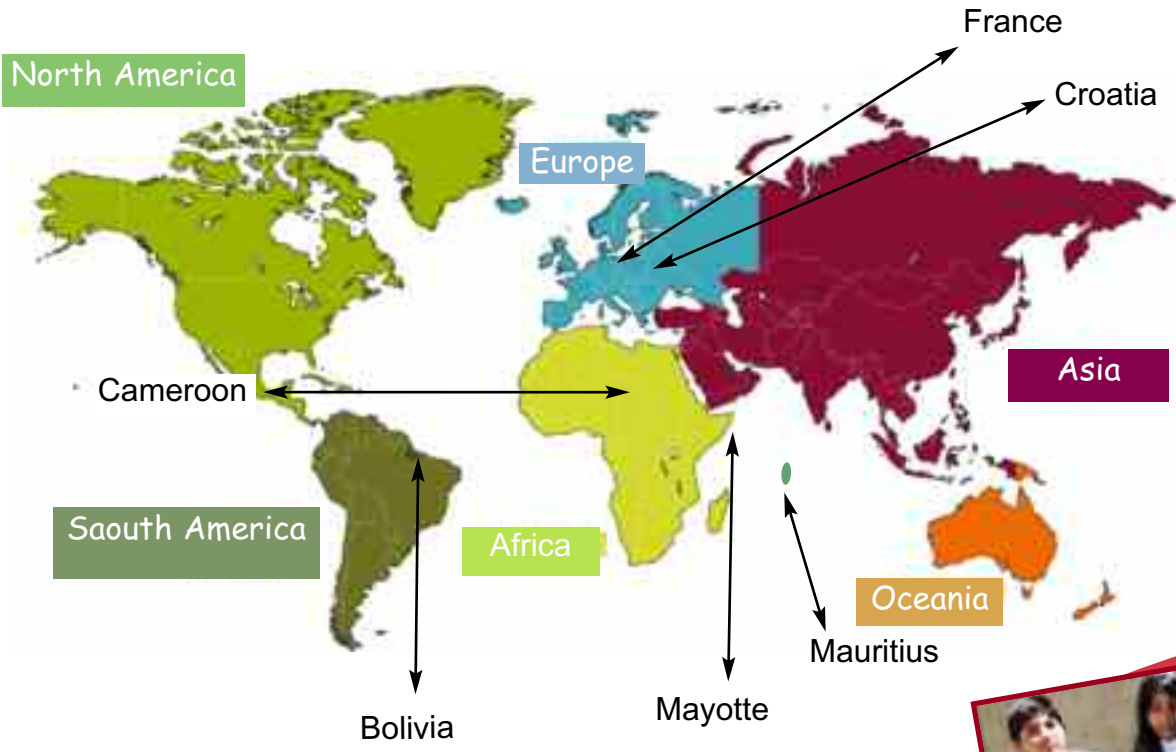

The children of Albion made this lovely mobile and some beautiful drawings

“I drew a flower and a butterfly because I like nature and I like to protect them.”
