Happy New Year 2016

We wish you all
a very good 2016
filled **with joy**, **peace**
and **hope**.

TAPORI is a worldwide network of children whose motto is:

"We want all children to have the same chances!"

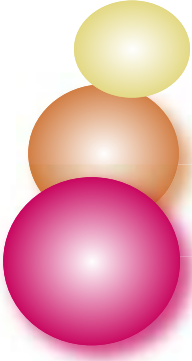

The name Tapori was chosen by Joseph Wresinski as a sign of solidarity with the poorest children. Joseph Wresinski, founder of the International Movement ATD Fourth World, grew up in poverty. While travelling in India, he met very poor children called *Taporis* who lived in train stations and who supported each other. He later wrote to other children:

"You are like the Taporis when you look out for others.

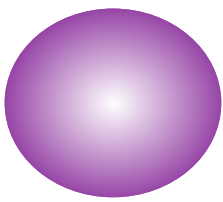

You can find ways to make the world a better place and get rid of poverty."

Today, thousands of children between 7 and 13 years old, across many different countries and continents, are connected through the Tapori newsletter.

Activity

Firstly, we have for you **the story of Nelly's childhood**, what it was like at home, what her life was like and what she would have changed about it.

Nelly is now a grandmother. She wrote a book about her life. She loves Tapori and she always says that children are the future.

Would you like to do some drawings based on Nelly's story?

You can draw in the boxes next to the story!
And you can send them to us!

“Look, this is where I live?”

You can describe the neighborhood where you live, your school and your family.
