Tomorrow, when all this is over, we'd all like to get  
 together, play together, be friends with one another.  
 So, think of the circle with everyone...

To which children around you and around the world  
 do you want to express your friendship?  
 Who do you want to greet?  
 What kind of world do you imagine for tomorrow?  
 They can be dreams for yourself, your family,  
 your neighborhood or for the world.
